

# Trinity Life

Disciples of Jesus who make disciples for him

## Deeper

We often find it harder to go deeper. Life can be full of busyness, muchness and many-ness, hurry and rush. Year follows on from year, and it seems that we aren't making any progress.

Starting on Sunday 17 March, and on the third Sundays of each month, we are going to work at going deeper. This won't be easy; it will require work, but I would love you to join me on the journey.

From the first Sunday of each month we will have available for you Songs and Readings and a Question. Would you join us in reading and

praying, in singing and learning; so that when we gather we can go deeper?

Of course it would be wonderful if each of us was preparing for any service, bible study or gathering by praying and reading and readying ourselves. And nothing is stopping any of us doing that.

The aim of Deeper (our 3rd Sunday, 10:30 a.m. Service), is to give a focal point, a single opportunity in the month to gather our energy and prayers and to aim for a deeper encounter, in the Holy Scripture, in

worship and in our shared understanding of the Living God.

To help with this we have reminders available to let you know when the Bible Reading, Songs and "Question to Consider" will be published. If you would like these (and reminders as to when Deeper itself is on), please go to [trinityashby.net/deeper](http://trinityashby.net/deeper).

with love in Christ, Tim Phillips

## Capital Projects Update - March 2019

### CHURCH ROOF

During 2018 we were able to finally repair the longstanding damage to the roof of our church building.

We are so grateful to all those who have prayed, worked, raised funds and given so generously to make this happen.

There is, of course, water damage inside the church that needs to be made good as the final part of these repairs. This is our Parochial Church Council's fundraising priority. As we needed to wait, at least a year for the stonework to dry, we have some time in hand to finish raising these funds.

This also means that we can start looking beyond the repairs to our church roof.

### CHURCH ORGAN FUND

The first step in this process was to hold an open meeting to gather views on the viability of the Church Organ Fund in September 2018. Fundraising for The Organ Fund has, for the most part, been on hold while we focussed on repairing our Church roof.

Forty people attended that meeting, and careful note was taken of all the views expressed.

The PCC has made it a priority to consider the way forward at each of our meetings since then, and we continue to actively explore the options before us.

The church organ fund remains open, and we are grateful to all those who have put on events and made donations to this fund. As well as those who are planning fundraising events and activities.

As we work towards repairing the internal water damage we will continue to look at developing the Church Organ options and will communicate these in more detail, as soon as we are able to, in the coming months.

*Tim Phillips, on behalf of the Parochial Church Council.*
