Disciples of Jesus who make disciples for him

Summer Lovin'

The Summer is here, the weather is now warm (for now). What are we going to do with the freedom that comes with Summer-time?

As the Spring has brought in the abundant green of God's creation, I have been thinking about the glories of his planet earth.

One idea that keeps coming to mind is the sheer glory of the technology that is a tree.

Can you imagine us producing (with our current ability to 'make' things) a small package with the power of a seed?

What I mean is, a small self-contained unit that can be just dropped to the

ground. Then, using only solar power, natural rainfall and the dirt under it, it will produce a great structure made out of the the dead stuff that is our soil.

This is amazing. Fruit to eat and wood to make things. A tree is an awesome piece of (carbon capture) technology. Technology we are nowhere near to achieving with all our advances in learning, design and manufacturing.

ANNUAL REPORT

Please have a look at our Annual Report on 2018

trinityashby.net/report

I would like to suggest that you (Christian or not) take time this summer to delight in God's creation. Go for a walk, climb a mountain, cross a river, and just enjoy the company of the one who made it.

This is our freedom - to enjoy the fruits of God's creation. His invitation to each of us is to come away with him. Amen

With love in Christ

*Tim Phillips,
Vicar, Holy Trinity Ashby*

Exam Season

The exam season is now upon us from SAT's already been taken or in the process of being taken whilst I write this and the start of GCSE, AS and A level exam season. This time of year, it is frantic with exams and testing throughout all age ranges. So many things hang on these results from university places, college places and the self determination to do well. Our young people are continually working hard to make progress and we need to support them through the power of prayer during this time.

We need to think about supporting our young people through this period, allowing them time to revise but also making sure they also have time to relax, have fun and see friends. Some of our young people will find this season overwhelming

and find it a real struggle to study because of the range needs they have. We need to have these young people in our thoughts and prayers. During this time our young people can struggle to find time to pray, come to church, be mindful of what they need to do and how they can achieve it. They can become emotionally stressed by the smallest of things, we need to pray for our young people and let them feel the peace of Lord and relax during exam time.

So, I say this again, don't forget to pray for them, I know it seems a no-brainer! But gathering together, in groups or even individuals, keeping the young people of our congregation in our hearts and minds through this busy season. Some of our young people will sit many exams, lift them up to the lord.

Philippians 4:6-7

"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."

*Emma Louise Smart
Secondary School Teacher*
