## Guarding Against What?

Where is your treasure? As our variable summer rolls on, I'd like to invite you to think about your sense of security. Often we face unexpected turns in life. The things we thought were solid, even certain end up disappearing like the morning mist. The things (or people) who were most important to us,

either let us down or are taken away from us. What happens then?

It is said there are few things in life that are certain. When it comes to our hope, to our security, there is only one certainty.

It is not gold (which can be stolen), it is not money which can be devalued and it's certainly not family, which can - so painfully - be fall victim to tragedy.

The only certain thing in life comes through faith. If we think about it,

we spend effort, and time guarding against the wrong things. Like our man in the picture who is protecting himself against the rain (that isn't even falling), while he's wet from below.

Jesus teaches us that where our treasure is, there our heart will be also. How do we get treasure in heaven - how can we have eternal security - how can we be free from worry and wasting our efforts on the wrong kinds of protection? Simply? By putting our trust in Jesus, not as some abstract idea, but by spending time in (secret) prayer and with holy scripture - by giving money (that no-one else knows about) - by serving others (out of sight and without any prospect of being thanked). These are solid, tangible, evidences of faith. This is the path of life everlasting: trusting in Jesus and doing what he commanded. This Summer, may you know freedom from worry and from wasting energy on protections we do not need.

With love in Christ

## Organ Fund Events

### Afternoon tea for the Organ Fund.

On Saturday 8 June Josie Renshaw organised an afternoon tea in Church. The plan was to raise

money for the organ fund, but in the event it proved to be much much more than that. Everyone enjoyed sitting back, enjoying the exquisite food and relaxing in good company. It proved to be an escape from the torrential rain outside. This was the first in a new series of events to raise money for the organ fund and £645 was raised. Many many thanks to Josie and her team for all the hard work.

Thanks too for all who came and supported the event.

There are more events in Church to follow, again to raise money for the organ so do put the new dates for the Autumn in your diary:

- Saturday 7th September - Evening Concert
- Saturday 19th October - 2:00 p.m. Flower Demonstration
- Saturday 2nd November - Evening Concert
- Saturday 16th November - 2:00 p.m. Make a Christmas Wreath or a table decoration

All the above events will be supported with generous refreshments and will again provide a chance to relax in Church and enjoy the company. Details of costs and how to obtain a ticket will be given out nearer the time.

If you feel that you would like to organise an event to raise money for the Organ Fund either in Church or in your home or another venue please contact me. I'd be delighted to hear from you.

Organ Project Coordinator.*
